TAKE YOUR BEST SHOT AT JEE (MAIN)

**COURSE COMMENCEMENT FROM:
JANUARY 13 & 20, 2019**

» COURSE CONCEPT

Last year Government of India (HRD Ministry) created a National Testing Agency (NTA), which is conducting national level examinations under new pattern. Under this, JEE (Main) is being conducted twice in a year. First attempt in January and second attempt in April.

Because of these changes, Resonance has launched an innovative compact course "ARJUN". The course is designed in a way that complete course is covered by using specially designed rapid fire DPPs and concept refining DPPs with sufficient test practice. In this 10-week long course every day 6 lectures will be delivered, 3 in the morning and 3 in the evening. These lectures will cover theory discussion, DPP solving and rapid fire tests in 1.5 hours duration. Every Sunday computer based JEE (Main) pattern tests of 3 hours duration will be conducted.
