BITSAT
Academic Session: 2022

About BITSAT Workshop

The Workshop Aims to enhance the concept of English Proficiency (EP) and Logical Reasoning (LR) for those who are appearing for BITSAT exam 2022.

Through this workshop students can improve their performance and hit the target with better rank.

It is designed to uplift the performance of BITSAT aspirants as generally aspirants focus on PCM subjects while English Proficiency (EP) and Logical Reasoning (LR) also play a vital role to score higher.

Highlights:

- An exclusive 12 Days Workshop of English Proficiency (EP) & Logical Reasoning (LR) (Mode: Online)
- BITSAT Booster (Compilation of full length memory based previous year question papers)
- 7 Part Test (English & Reasoning) + 2 Mock Test (Complete Syllabus).
- Topic Wise DPP's for better understanding of lectures.
- Doubts removal classes
