KANISHK KATARIA

Classroom Student since Class VIII

- **AIR-1 in Civil Services Exam (IAS) 2018**
- **B.Tech. (CSE) from IIT- Bombay in 2014**
- **AIR-44 (Gen) and AIR-1 (SC) Category in IIT-JEE 2010**
- **AIR-24 (Gen) and AIR-1 (SC) Category in AIEEE 2010**
- **KVPY Scholar in 2009**
- **NTSE Scholar in 2008**

4 YEAR COURSE
WISDOM
For students moving to class 9th

TARGET:

JEE (MAIN+ADVANCED) 2026

3 YEAR COURSE
WINNER
For students moving to class 10th

TARGET:

JEE (MAIN+ADVANCED) 2025

Course Concept

- The goal of the program is to get a Top Rank in JEE (Main & Advanced).
- The program also helps in scoring high marks in X & XII Boards
- The Program focus on preparing students for NTSE / KVPY and Other Scholastic Competitive Examinations.
- This program also lays a strong foundation for International Olympiads by enhancing student's potential.

Course Details

Class Commencement	4 th April & 9 th May 2022
Subjects Covered	Physics, Chemistry, Biology, Maths, S.St, Mental Ability, Hindi, English
Class Duration	90 minutes per lecture
Class Frequency	5 - 6 Days in a week
Academic Testing	JEE Pattern Test, Part Test & Full Syllabus Test for School/Board Exam Pattern & Competitive Exam Pattern
Testing Frequency	Once in 2/3 Weeks
Doubt Removal Sessions	On daily basis

Course Features

Academic Excellence

Pre-defined Yearly Planner

The yearly planner consists of arrayed chapters for each of the subjects, test grid of the whole session with syllabus mentioned in it, holiday schedule, homework checking schedule etc.

Enhanced Classroom Teaching with Learning Aids

In classrooms, faculty members employ latest technologies to deliver topics in the most interesting and possible manner to maximize the absorption of concepts.

Scientifically Designed Chapter Modules

Classroom teaching is supplemented with futuristic study material in the form of chapter modules, which provide sequential theory of a particular chapter with exercises to check the progress of students, pictorial and textual summaries.

Daily Practice Problems (DPPs)

In addition to chapter modules, DPPs are given to students. Each DPP include questions from multiple chapters taught before it, even if they've already been covered in earlier DPPs.

All India Testing

The concepts learnt and practiced by the students are tested through regular tests mentioned in the yearly planner and conducted among the students of Resonance across all the study centers. This helps students to check their performance at the national level.

Student Analysis and Performance Evaluation Report

Students can check his/her performance and rank generated for each subject at the website of Resonance. The SAPER can be found at www.pccp.resonance.ac.in, under student zone.

Regular Classroom Discussion of Homework Questions

After classroom teaching, homework is given to students, which is discussed in the next class of that particular subject. Students who do regular homework and participate in classroom discussion are likely to succeed in the competitive examinations.

Clinic Classes and Doubt Classes

Clinic and Doubt classes are for those students who miss out classes due to unavoidable circumstances or late joining. These classes run throughout the year so that students can catch up anytime they feel left out.

21st Century Support And

Communication Mechanism

Psychological cum Academic Counselling

At times, students get stuck within their personal problems & need guidance to overcome that situation. In this scenario, we conduct one-to-one sessions in which their problems are discussed & customized solutions are given to them.

Motivational Sessions

There is provision of motivational classes within the curriculum which is required to keep the students on track and motivate them to aspire for success. These motivation sessions help them to set their targets and fix the execution guidelines to achieve them.

Parent Teacher & Student Meeting (PTSM)

There is a provision of PTSM which ensures periodic communication among the parents, teachers and students. Through this meeting, parents get feedback about the strengths and weaknesses of their ward and teachers get feedback about their teaching.

Mentor to each Student

A mentor is allocated to every student as a mentor seeks to help the student, optimize an educational experience & to assist the student's socialization into a disciplinary culture.

Reso Alert (An app for 360° communication)

Android Application namely "ResoAlert" which is available on Play Store. With the help of this application Parents & Students will be able to get all the related updates like Time Table, Daily Attendance, Saper, Daily Home-work, Test Information, Course Planner, Indisciplinary Information etc.

Recorded Lecture

Pre-recorded lectures are provided to the students to make sure that they don't miss anything important being able to listen to it back, transcribe lectures to review on screen or organize the collection of data to make notes essential to their success. Students can access these videos on online learning platform (ResoSIR) app.

ResoSIR

Digital/Online

Students can stay home and still learn from the best teachers through their **Live Online Classes**

Right time to start practice Online!!

Resonance is the first Institute, providing Online Platform at an early age & started them to practice online. In today's era Online Learning became an important part.

- Student can access study material at anytime in online mode.
- Online testing
- Micro analysis of each & every test
- More practice will improve their accuracy & time management.
- Course Planner
- Recorded Lectures

Aligned with our Vision – 'Excellence in career education' and Mission - 'Practice, Persistence and Performance', Resonance as one of India's leading educational institute, with proper planning and execution, would leave no stone unturned to make sure that our students stand out in all the upcoming examinations.

Class by Class Coverage

Class-IX

- NCERT Coverage (English, Mathematics, Science and Social Science): Full syllabus coverage with periodic testing for complete command on the school curriculum. The planning is coherent with board pattern.
- National Talent Search Examination (NTSE): Stage 1 and 2 preparation. Students get monthly scholarship after clearing all the stages. This is considered to be the most prestigious exam at secondary level.
- **JEE (Main+Advanced)**: Basic chapters of JEE syllabus will be dealt in the first year to make a solid base.

Class-XI

- NCERT Coverage (Biology, Physics & Chemistry): Full syllabus coverage with periodic testing for complete command on the school curriculum.
- Kishore Vaigyanik Protsahan Yojana (KVPY-SA): Stage 1 and 2 preparation. Students get monthly scholarship after clearing all the stages. This is considered to be the most prestigious exam at pre senior secondary level.
- Various Olympiads: Olympiads related to Mathematics, physics, chemistry and astronomy conducted by Homi Bhabha Centre of Science Education (HBCSE). Students clearing all stages of these examinations get the chance to represent India at International Level.
- JEE (Main+Advanced): Syllabus upto start of Class XII will be covered in this class.

Class-X

- NCERT Coverage (English, Mathematics, Science and Social Science): Full syllabus coverage with periodic testing for complete command on the school curriculum. The planning is coherent with board pattern.
- National Talent Search Examination (NTSE): Stage 1 and 2 preparation. Students get monthly scholarship after clearing all the stages. This is considered to be the most prestigious exam at secondary level.
- **JEE (Main+Advanced)**: Basic chapters & slightly advanced chapters of JEE syllabus will be dealt in first year to make a solid base.

Class-XII

- NCERT Coverage (Mathematics, Physics & Chemistry): Full syllabus coverage with periodic testing for complete command on the school curriculum.
- Kishore Vaigyanik Protsahan Yojana (KVPY-SX): Stage 1 and 2 preparation. Students get monthly scholarship after clearing all the stages. This is considered to be the most prestigious exam at pre senior secondary level.
- Various Olympiads: Olympiads related to Mathematics, physics, chemistry and astronomy conducted by Homi Bhabha Centre of Science Education (HBCSE). Students clearing all stages of these examinations get the chance to represent India at International Level.
- JEE (Main+Advanced): With relatively less to cover in class XII, the focus is more on revision, rank boosting with rigorous testing based on current pattern of JEE (Main+Advanced).

UNIQUE INTEGRATED RESIDENTIAL PROGRAM

EXCLUSIVE FOR
THREE YEAR/
FOUR YEAR PROGRAM

for Boys Student only
LIMITED SEATS

Booking Amount for
Residential Campus ₹ 5000/-

MODERN SCHOOLING WITH WORLD CLASS COACHING

COACHING + SCHOOLING + RESIDENCE + DINING

Concept

Resonance that believes in imparting the quality education now brings you an all-in-one program. This program not only provides a "State of Art" infrastructure but also manifest coaching service along with professionally perfect schooling and residential facilities. This program, which is exclusively designed for students who dream to get along in JEE, fit in with all their needs at one place and that too in an environment which is not only safe and secured but also boost their overall development.

Key features and benefits

Top-notch coaching and schooling facilities:

Here, we have a CBSE affiliated school that employs latest teaching technologies and accommodate facilities like air-conditioned classrooms, library, latest labs, etc. Resonance also conducts classes within school premises only. So students get benefits of saving time by having all classes at one place.

Boarding and Lodging:

The hostel area is completely secured and under the surveillance of guards and CCTVs, round the clock. There is a fixed schedule to be followed by each student every day, which contributes to discipline among students.

Doubt Counters:

Regular doubt counters are set with faculty members available to clear doubts of students on any topic taught in class. The students get benefit of personal attention from the teacher and figure out their problems in a more clear way.

Library:

The campus is provided with a spacious and peaceful library that has regularly been stocked with books which come handy to students whenever they need.

Mess and Cafeteria:

Nutritious vegetarian food is provided to students with proper hygienic and clean surroundings. The menu includes a variety but meals are prepared with keeping in mind the inclusion of appropriate nutrition and timely serving with a maintained schedule to be followed by students.

Motivational and Emotional counseling:

Regular motivational seminars are conducted by experts. Students are stimulated by these experts to work hard for achieving their goals. They also get emotional support on an informal basis not only from teachers but also from wardens of the hostels, who assist students to steer clear through all their personal problems and achieve a healthy environment to study within.

Sports and Receptions:

Along with academic sessions, extracurricular activities add to overall development of students including mental and physical growth.

Sanitation:

An appropriate and dedicated housing staff is appointed to take maximal care and upkeep of cleanliness and hygiene of the whole campus.

ADMISSION PROCESS
