ABOUT RESONANCE PCCP

Resonance launched Pre-foundation Career Care Programs (PCCPs) Division in 2006 with the philosophy of an early start. As the name suggests, the division aims at giving the edge to the students for Career Examinations like JEE (Main + Advanced), NEET/ AIIMS, CA/CS/CLAT etc. before entering into senior secondary classes.

In junior classes, the targeted competitive examinations are National Standard Examination in Junior Science (NSEJS, 1st stage of International Junior Science Olympiad (IJSO)), National Talent Search Examinations (NTSE), Pre Regional Mathematics Olympiad (PreRMO, 1st stage of International Mathematics Olympiad). In addition to these competitive examinations, we also prepare students for class X board examination, according to the latest changes made in it, by exposing them to mock situations like that of the real one.
