## Achievements at a glance

Practice, Persistence and Performance have been the guiding words that have formed the basis of every success at Resonance. Under the visionary leadership of Mr. R. K. Verma, Resonance began its journey in the year 2001 with the sole objective of raising the bar of excellence in career education and holistic personality development. Quality education and guidance should reach to the remotest of places so that dream of making it to the IITs gets its due was his guiding inspiration.

Today, with National Network across 50 cities in India, 30 integrated Classroom Contact Program Centres (ICCPs) & other than that 74 Test Centres, Resonance has carved a distinct niche for itself in the space of career education. All these centres are not franchisee set ups but established and managed by Resonance Head office, Kota. Over the years we have added to our services and offerings so that maximum students get the guidance and opportunity to achieve their dreams. The Distance Learning Program Division, established during the academic year of 2005-06, caters to the distinct needs of students who are unable to move out of their native places. It provides course materials for JEE (Advanced), JEE (Main), NEET, AIIMS, KVPY, NTSE, IJSO, CBSE and other National and International Olympiads. The Pre-foundation Career Care Program (PCCP) was launched in 2006. Since then, it has been successfully preparing students for the competitive exams from classes V-VIII and IX-X onwards. The year 2011 saw the addition of AIEEE/JEE (MAIN) & NEET(AIPMT) Division and programs for the students of Class VII to X, who want to appear in Talent Search Examinations like National Talent Search Examination (NTSE), International Olympiads.

Chasing excellence persistently has brought in many laurels for Resonance regularly. In the year 2008-09, a student from Resonance secured a Top-10 Rank in IIT-JEE for the first time. Anvit Singh Tanwar from Resonance Classroom Program secured AIR – 09 in IIT-JEE. Resonance students bagged AIR-2 and AIR-5 in IIT-JEE 2011 and it was one of the best performances in IIT-JEE (JEE-Adv) then Kalpit Veerwal, another student of Resonance's Classroom Coaching Program created history in 2016-17. Kalpit achieved the classic score of 360/360 in JEE Main 2017 and his effort found a mention in the Limca Book of Records. Kalpit's feat was an inspiration to many future aspirants from Resonance. Pawan Goyal made the most of it in 2017-18. Pawan secured AIR 4 in JEE Advanced and AIR 6 in JEE Main in 2017-18. He bagged highest marks – 350 / 360 – in JEE Main and this was the second consecutive year when a student of Resonance secured highest marks in JEE. Pawan Goyal also claimed the prestigious Gold medal at IPHO 2018. RESONite Shubhankar Gambhir from Yearlong Classroom Contact Program kept Resonance's Success Flag high and achieved yet another 100 Percentile in JEE Main 2019. For three consecutive times, students of Resonance secured 100 Percentile, they have set a milestone for others to follow.

To cut the long story short, Resonance has been instrumental in delivering excellent results in the past 18 years, since its incorporation in 2001. Resonance has made 42000+ students qualify for IIT's & 214900+ students qualified for NIT's & various other engineering colleges (since 2002). Around 14500+ students have qualified into the medical stream (NEET/AIIMS) as of 2012. There are 1870+ NTSE Scholars, 2536+ KVPY Fellowship Winners, 48 Medalists with 11 Gold Medals in International Olympiads (since 2006) and 250+ selections in CA (since 2012). All these students are making important strides in their respective fields across various segments and they happily owe their success to Resonance.

Inspired by its success, Resonance diversified its portfolio of courses apart from IIT-JEE, Medical to Commerce & Law in the form of New Division Resonance Commerce & Law Program Division (CLPD). Resonance also offers coaching for various other competitive examinations such as Bank, Insurance and Finance, Railway, Defence & Police, Teachers' recruitment, National level public services, State level public services and other examinations under its ResoMEX Division and coaching for class XI & XII under its Para Schooling Division(PSPD).

## Online Practice:

Since the announcement of JEE (Advanced) last year, we have started preparing our students for the online exam pattern and have proactively strategized for the new change in the pattern of the examination.

Even after the recent announcement of JEE (Mains) to be conducted twice in a year on CBT mode ( Computer Based Test) from 2019, Resonance is thoroughly prepared to incorporate this change, as we have already set up two online testing labs of 70 capacity each, last year after the announcement of JEE (Advanced). Where the students are taking online tests and preparing themselves for the real exam.

We believe it is a positive change. Online exam saves time, Candidates can edit & re-edit answers multiple times, A coloured panel to keep one updated about the status of the exam, Less the scope of printing errors, Evaluation process gets better and error free.

**Aligned with our Vision – ‘ Excellence in career education’ and Mission – ‘Practice, Persistence and Performance’,** Resonance as one of India’s leading educational institute, with proper planning and execution, would leave no stone unturned to make sure that our students stand tall in all the upcoming examinations.
