## Achievements at a glance

Practice, Persistence and Performance have been the guiding words that have formed the basis of every success at Resonance. Under the visionary leadership of Mr. R. K. Verma, Resonance began its journey in the year 2001 with the sole objective of raising the bar of excellence in career education and holistic personality development. Quality education and guidance should reach to the remotest of places so that dream of making it to the IITs comes true.

Today, Resonance has spread its wings in almost all states of the country and is benefitting student community through its PAN India Presence. Resonance has carved a distinct niche for itself in the space of career education. All these centres are established and managed by Resonance Head office, Kota. Over the years we have added to our services and offerings so that maximum students get the guidance and opportunity to achieve their dreams. The Distance Learning Program Division, established during the academic year of 2005-06, caters to the distinct needs of students who are unable to move out of their native places. It provides course materials for JEE (Advanced), JEE (Main), NEET, KVPY, NTSE, IJSO, CBSE and other National and International Olympiads. The Pre-foundation Career Care Program (PCCP) was launched in 2006. Since then, it has been successfully preparing students for the competitive exams from classes V-VIII and IX-X onwards. The year 2011 saw the addition of AIEEE/JEE (MAIN) & NEET (AIPMT) Division and programs for the students of Class VII to X, who want to appear in Talent Search Examinations like National Talent Search Examination (NTSE), International Olympiads.

Chasing excellence persistently has brought in many laurels for Resonance regularly. In the year 2008-09, a student from Resonance secured a Top-10 Rank in IIT-JEE for the first time. Anvit Singh Tanwar from Resonance Classroom Program secured AIR – 09 in IIT-JEE. Resonance students bagged AIR-2 and AIR-5 in IIT-JEE 2011 and it was one of the best performances in IIT-JEE (JEE-Adv) then Kalpit Veerwal, another student of Resonance's Classroom Coaching Program created history in 2016-17. Kalpit achieved the classic score of 360/360 in JEE Main 2017 and his effort found a mention in the Limca Book of Records. Kalpit's feat was an inspiration to many future aspirants from Resonance. Pawan Goyal made the most of it in 2017-18. Pawan secured AIR 4 in JEE Advanced and AIR 6 in JEE Main in 2017-18. He bagged highest marks – 350 / 360 – in JEE Main and this was the second consecutive year when a student of Resonance secured highest marks in JEE. Pawan Goyal also claimed the prestigious Gold medal at IPHO 2018. RESONite Shubhankar Gambhir from Yearlong Classroom Contact Program kept Resonance's Success Flag high and achieved yet another 100 Percentile in JEE Main 2019. For three consecutive times, students of Resonance secured 100 Percentile, they have set a milestone for others to follow.

To cut the long story short, Resonance has been instrumental in delivering excellent results in the past 19 years, since its incorporation in 2001. Resonance has made 46500+ students qualify for IIT's & 240000+ students qualified for NIT's & various other engineering colleges (since 2002). Around 17000+ students have qualified into the medical stream (NEET/AIIMS) as of 2012. There are 2160+ NTSE Scholars, 2536+ KVPY Fellowship Winners, 51 Medalists with 13 Gold Medals in International Olympiads (since 2006) and 2240+ selections in CA (all stages), 1696 CS, 53 students in CLAT since 2013. 3 times AIR- 1 in CS Foundation exam attempts: June 2019, June 2018 & December 2017 & AIR-1 in CA Final 2018 (November attempt). All these students are making important strides in their respective fields across various segments and they happily owe their success to Resonance.
