EDU-SYSTEM

Resonance has a highly systematic and standardized system of teaching. Our study material, course planning, testing system, timetable, performance monitoring system etc. are all pre-defined and well set. All systems work according to these rules and deliver a uniform and high-quality learning experience to all students.

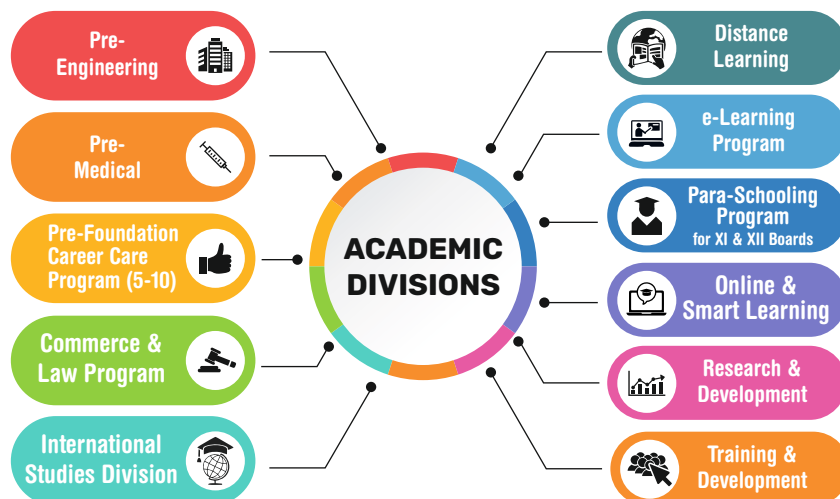

Student Mentoring System

We understand the importance of different components, tools, and techniques of training, which are necessary for results and we term this system as "The RESO Way"

1 Academic Team (Faculty) Teacher understands how to make you LEARN.	2 Regular Classes (RCs) Fundamental learning through rigorous & enriched classroom experience.
3 Daily Practice Problems (DPPs) Daily Practice for strengthening the daily learning.	4 Practice Booklet (Sheets) Experience and knowledge in a well written form. More practice towards perfection.
5 Doubt Classes (DCs) For individual attention and problem solving.	6 Periodic Assessment Tests (PATs) Assessment through online & offline Tests
7 Academic Research & Development (R&D) Developing new teaching aids and questions	8 Academic Administration and Management Managing entire learning experience
9 Online Learning Platform Facility of Online Classes & Recorded Lectures	10 Co-academic Arrangements Timely support & stress free learning.
11 Concept Building Classes Theory of certain important topics is taught after the course completion of Class XI to XII Moving Students along with their regular Tests & Practice.	12 Clinic Classes Special Classes arranged for weak and missed Topics to enhance student's performance during the session.

Key Processes: Academics

- Course & Lecture Planning
- Teaching Methodology
- Lecture Notes Preparation
- Faculty Productivity Management
- Study Material Development & Question Bank Management
- Test Paper Preparation
- Regular Class Management
- Student's Performance Management
- Academic Quality Control & Auditing
- Academic Research & Development
- Orientation & Motivation Classes
- Special Classes for Performance Improvement
- Faculty Discipline & Performance Management
- Online Test Program
- Computer Lab & Self Study Room

ONLINE PRACTICE

Online or Computer Based Testing system is now well established in India. All major engineering exams are now computer based.

We believe it is a positive change. Online exam saves time. Candidates can edit & re-edit their answers. A coloured panel is provided to track the status of the exam. There is less scope of printing errors. Evaluation process is quick and error free with detailed analysis.

Staying in sync with times, Resonance has developed a state-of-art Computer lab facility in which students can practice online tests and view recorded lectures. Students can book their slots and use this facility to view recorded lectures or take computer-based tests.
