Course: iVISHESH | Target: JEE (Main+Advanced) 2022

Medium: English & Hindi

Course Concept

This course is designed for Class-12th Passed students and are aspiring for elite technical institutions 'IITs'. This course is of keen interest to students who do not want to invest their 4 years in graduating from an average level of engineering institution rather they have the confidence and zeal to retake JEE in 2022 for a better deserving rank. Due to delay in conduction of JEE 2021 the iVISHESH course is starting a bit late in comparison to earlier academic sessions. Accordingly, the course pedagogy has been modified and designed by Resonance academia to coach the students in available next 6 months. The methodology is focussed on application of concepts through practice of problems, fundamental understanding of various topics in PCM and assessment at a National Level on periodic basis.

Course Features

**Live Online
Classroom
Teaching**

**Recorded
Lectures
Library**

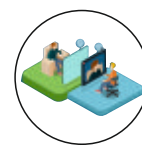

**Printed
Study
Material**

**Topic wise
Online
Tests**

**Computer
Based
Tests (CBTs)**

**Online
Doubt
Forum**

Course Fee

₹90000/-

Course Starts

5th, 12th, 19th & 26th July
