Points to Remember: CUET (UG) 2022

» Candidates can choose any Language/Domain Specific Subjects/General Test or a combination as per the requirements of the course in the specific University.

  • **Section IB** has to be attempted only if candidates want to join a degree programme in any one (or more) of the 20 languages.
  • **Section II** will test candidates in the core subjects that they wish to pursue.

» The choice of Tests/Subjects depend on the course/s chosen by the candidate and the University/ies where admission is sought. A candidate can take a maximum of **9 tests** in the following manner

  • Maximum of **2 languages** from **Section IA** and **Section IB** taken together, maximum of **6 Domain Subjects** from Section II and **General Test** from Section III. **OR**
  • Maximum of **3 languages** from **Section IA** and **Section IB** taken together, maximum of **5 Domain Subjects** from Section II and **General Test** from Section III.

» Candidates should select those Domain Subjects that they have already studied in class 12. In case a particular subject is not there in the CUET Domain Subject list, then candidates can choose a subject that is most similar to what they have studied in class 12.

» In order to opt for Languages, domain-specific Subjects and General Test, the Candidate must refer to the requirements of his/her intended University.

» **Important Note:** It is **not mandatory to choose any one or more of the tests** given in the table above. The choice of tests should depend on the course/s opted by the candidate and the University/ies requirements where admission is sought.
