

Letter of **promotion** From Class-XI (VIKAAS-JA) to Class-XII (VIJETA-JP)

14th December 2020

Dear Parent,

Greetings from Resonance!

We are pleased to inform that your ward is completing class XI of the foundation course of this session and is about to be promoted from VIKAAS (JA) to VIJETA (JPA) in Class XII in the coming session 2021-22. The students in Hindi medium will be similarly promoted to VIJETA (JPH). For all these students, this will be their next step towards success and Resonance has planned the entire year to strengthen the foundation of their success.

Resonance was founded with a vision to impart education Innovatively on 11th April 2001. Since then it has been continuously incorporating innovative methods to give the best education to students.

At Resonance, we started preparing our students for the online mode since last year after the announcement that JEE (Advanced) will be conducted in online mode in 2018. In 2018-19 session with the announcement that National Testing Agency (NTA) will be conducting JEE (Main) examination twice a year on CBT (Computer Based Test) Mode, we were smooth with the change as we had been giving our students the practice of online exams and had proactively adopted the changes required for Online mode of examination. Last year itself, we had set up two online testing labs and made arrangements with private computer labs also where our students take online tests and are offered practice for the core exam. In these labs where ample time of more than **8,88,096** hours of practice was available for the students and **33,004** students took online tests in the session 2019-20

“Starting early is the key to success” and hence we complete the entire syllabus of class XI in a very structured manner, **New batches of Class XII will be commencing from 23rd January 2021**. By starting session of 12th class early the course will be completed early and students will get more time for revision of boards & JEE (Main) January-2022 attempt. The criteria for allotment of batches shall be based on the final cumulative percentage (Considering due weight age of PTs, CTs & MT). In case, a student is not able to appear in Major Test (MT) of class 11th for a genuine reason, the academic performance shall be normalized to 100% by considering marks of CTs & PTs. The second Criterion in batch allotment will be the deposition of 1st Installment of the fee within the prescribed date.

The student joining class 12th batches in January 2021 will be termed as JP. They will be undergoing 2+ month of classes (after depositing 1st Installment of the course fee) covering initial topics of class 12th curriculum. These students are likely to be benefitted in terms of more time for revision and getting prepared to tune with 12th syllabus. However, these topics will be covered in JPA batches which will be resuming from 5th April 2021 at slightly more class frequency.

Resonance wishes the very best to your child. Surely, the RESONite would work hard to make a great career.
