

Letter of Promotion from Class-XI (VIKAAS-JA) to Class-XII

VIJETA-02JP

01JB (07JA, 01JB, 01JBH)

5th November 2025

Dear Parent,

Greetings from Resonance!

We are pleased to inform that your ward is completing class XI of the foundation course of this session and is about to be promoted from VIKAAS (JA) to VIJETA (JPA) in Class XII in the coming session 2025-26. The students in Hindi medium will be similarly promoted to VIJETA (JPH). For all these students, this will be their next step towards success and Resonance has planned the entire year to strengthen the foundation of their success.

Resonance was founded on 11th April 2001 with a vision to impart education innovatively. Since then it has been continuously incorporating innovative methods to give the best education to students.

At Resonance, we also started preparing our students for the online mode in 2018-19 session with the announcement that National Testing Agency (NTA) will be conducting JEE (Main) Examination twice a year on CBT (Computer Based Test) Mode. We were smooth with the change as we had been giving our students the practice of online exams and had proactively adopted the changes required for Online mode of examination. We have online testing labs and made arrangements with private computer labs also where our students take online tests and are offered practice for the core exam.

“Starting early is the key to success” and hence we complete the entire syllabus of class XI in a very structured manner. **New batches of Class XII will be commencing from 09th February 2026.** By starting session of 12th class early, the course will be completed early and students will get more time for revision of boards & JEE (Main) January-2027 attempt.

The students joining class 12th batches in January 2026 will be termed as JP. They will be undergoing 2+ months of classes (after depositing 1st Installment of the course fee) covering initial topics of class 12th curriculum. These students are likely to be benefitted in terms of more time for revision and getting prepared to tune with 12th syllabus. However, these topics will be covered in JPA batches which will be resuming from 1st April 2026. Resonance wishes the very best to your child. Surely, the RESONite would work hard to make a great career.

4. Benefits of Joining JPA: Since 2013-14 session, we have been following the concept of forming early batches of class-XII students namely JPA. This has proved beneficial for our students. Some of the key benefits are as follow:
