AIR-6 (GEN) in JEE (Advanced) 2017

## Students' Speak

Hello, I am Sourav Yadav, I got AIR 6 in JEE (Advanced) 2017. I am feeling very excited about my rank and satisfied that I got rank in single digit. The faculty member have always been supportive in these two years and faculty members were always available for clearing the doubts. Teachers were always available to strengthen our weak topics. Teachers referred us extra books also. My parents also motivated throughout. My mother was working but she left her job so that she can look after me in Kota. For IIT aspirants, I would like to advice to always remain focused and get proper sleep as both are equally important. Work hard for two years and it is important to give exam in cool mind.

**SANKEERTH S.**  
AIR-4 (Gen) in NEET 2017

## Students' Speak

I would like to thank my parents, teachers, friends and those who have been instrumental in moulding my present. I would have been nothing without the guidance of my parents & teachers. I have been blessed with best of teachers all through. While it is indeed crucial for a teacher to guide a student towards his or her scholarly objectives, if not more imperative but rather similarly vital for an educator to ingrain in his/her student a feeling of interest. Trust me when I say that I can be an exceptionally annoyingly inquisitive in the classroom, the never-ending stream of inquiries however never appear to incense my educators. They would always make sure to answer but would simultaneously keep me eager for additional. How they did this is beyond my comprehension. I have the deepest gratitude for all of my teachers. All of you striving towards your goals make sure you find yourself a guide; A guide to show you the light, to give you a reason to seek & to make you happy.

## Parents' Speak

Proud father of SANKEERTH. It is a proud moment, if father is recognized because of his son, that is the day when you feel so proud. Sankeerth is a very dedicated son from the beginning. He knows what he wanted to do. He plans everything. Whatever we say he takes the guidance and he does his planning, he was very clear that he wanted to do Medicine. He had been a ResoBASE student for last 4 years. He was spending lot of time there in learning. I really want to thank all the faculty members of ResoBASE who has helped him and even the staff members who have given a solid foundation to attain this Success. He is able to crack the exams mainly because of support given by ResoBASE.

## Students' Speak

I am very delighted about my success. My support system throughout my preparation was my parents, teachers and ResoBASE. I would like to give my credit of success to my parents, teachers and ResoBASE.

My parents gave moral support to me whenever I was stressed they used to help me calm down and motivated me. Classes were very interesting at ResoBASE, teachers not only taught with books but also used to share their rich experiences that motivates and help to study well. All faculty members were very supportive and helpful and always ready to clear all my doubts. There are 24 hours in a day and it only depends on students how they utilize to spend them, spend more time on weaker area, hard work, dedication, motivation and self-confidence will help to achieve good marks.

## Students' Speak

I wish to give the credit of my success in JEE (Main) 2017 to my parents, brother, teachers of Resonance and my school-MDS.

The study material is very good and precise. It helped in building my basics and advanced skills as well. The tests conducted here are of very similar level to JEE and are very developing speed. accuracy and examination temperament. For Math, I emphasized on practice, for Chemistry on revision and for Physics I developed understanding. The quality of study material is very good and has a variety of questions. All the academic and non-academic staff has been supportive.

I would like to give advice to the future IIT aspirants to give their best shot and always be confident.

### Parents' Speak

"My son has been attending the regular classes for IIT-2012. In Resonance, the teachers are good and well educated. PTA meetings were also held to update about the performance of the child. The evaluation is regular with feedback. Children are trained for competitive exams very methodically and properly. The test series are good for the student to know in which position they stand in the class. We are fully satisfied with the services of Resonance Institute."
