

TEST SYLLABUS

ACADEMIC SESSION: 2023-24

NEET PATTERN CUMULATIVE TEST (CT-4)

Test Date : Sunday, 17 December, 2023

Course Code : SANKLAP (02MP)

PHYSICS:

Electrostatics, Current Electricity, Capacitance, EMF, Electromagnetic Induction, Alternating Current, Electromagnetic Waves, Modern Physics-I, Solid & Semiconductor + Simple Harmonic motion

CHEMISTRY (PHYSICAL / INORGANIC):

Solution & Colligative properties, Electrochemistry, Chemical Kinetics, Chemical Equilibrium

CHEMISTRY (ORGANIC):

Electronic Effect (GOC), Stereoisomers, Hydrocarbon, Grignard Reagent, Reaction Mechanism, Aromatic Compound, Carbonyl Compound & Carboxylic acid and derivatives (upto Preparation of acid and derivatives)

BIOLOGY (BOTANY):

Genetics, Reproduction in flowering plants, Ecology, The Living world

BIOLOGY (ZOOLOGY):

Reproduction in Organisms, Reproduction and Reproductive Health, Human Health and Disease, Origin and Evolution, Application Biology (I & II), Body Fluids and Circulation, Microbes in Human Welfare, Excretory Products and Their Elimination, Chemical Control and Coordination
