

# PARENT AWARENESS CAMPAIGN

*Dear Parents,*

*As you all know that in today's scenario everybody is **competing** with each other. **Competition** has risen to a very high extent as a result of this there is also an increase in number of **coaching classes**. You as an aware parent should consider some parameters before enrolling your **child** :*

- ✓ An average batch size of 40-45 students in all the batches to ensure personal attention.
- ✓ Properly developed Study material & Test Papers. Professor use same DPP sheets across all the batches to maintain uniformity.
- ✓ All the students who joined any institute should be equally important. Focus should be on all student and not only on bright students.
- ✓ Proper Academic Planning should be there and same should be followed by all the staff members.
- ✓ Lowest dropout ratio should be there and fees should be charged over 2 years and not full 2 year fees at one go at the time of admission.
- ✓ Quality of study should be same everywhere if they have many centers.
- ✓ Should have Full Time Faculty Members and not Part Time & Visiting staff.
- ✓ Regular doubt discussion classes to ensure Personal Attention.
- ✓ Regular Periodic & Cumulative tests with the proper analyzed results.
